

# N-Series

Welcome style and sophistication into your home with our N-Series sofa range. Characterised by a low profile, distinctive arm shapes and elegant standing legs, the N-Series sofa combines minimalist design and style to create a truly sleek sofa that will complement the theme of your living area. Comprised of a solid wood frame, no-sag springs and higher-grade foam cushions, the N-Series sofa offers high quality, modern piece of furniture providing both comfort and quality...the Scandinavian way.

# Studio Space - Sofa

# Experience Scandinavian passion

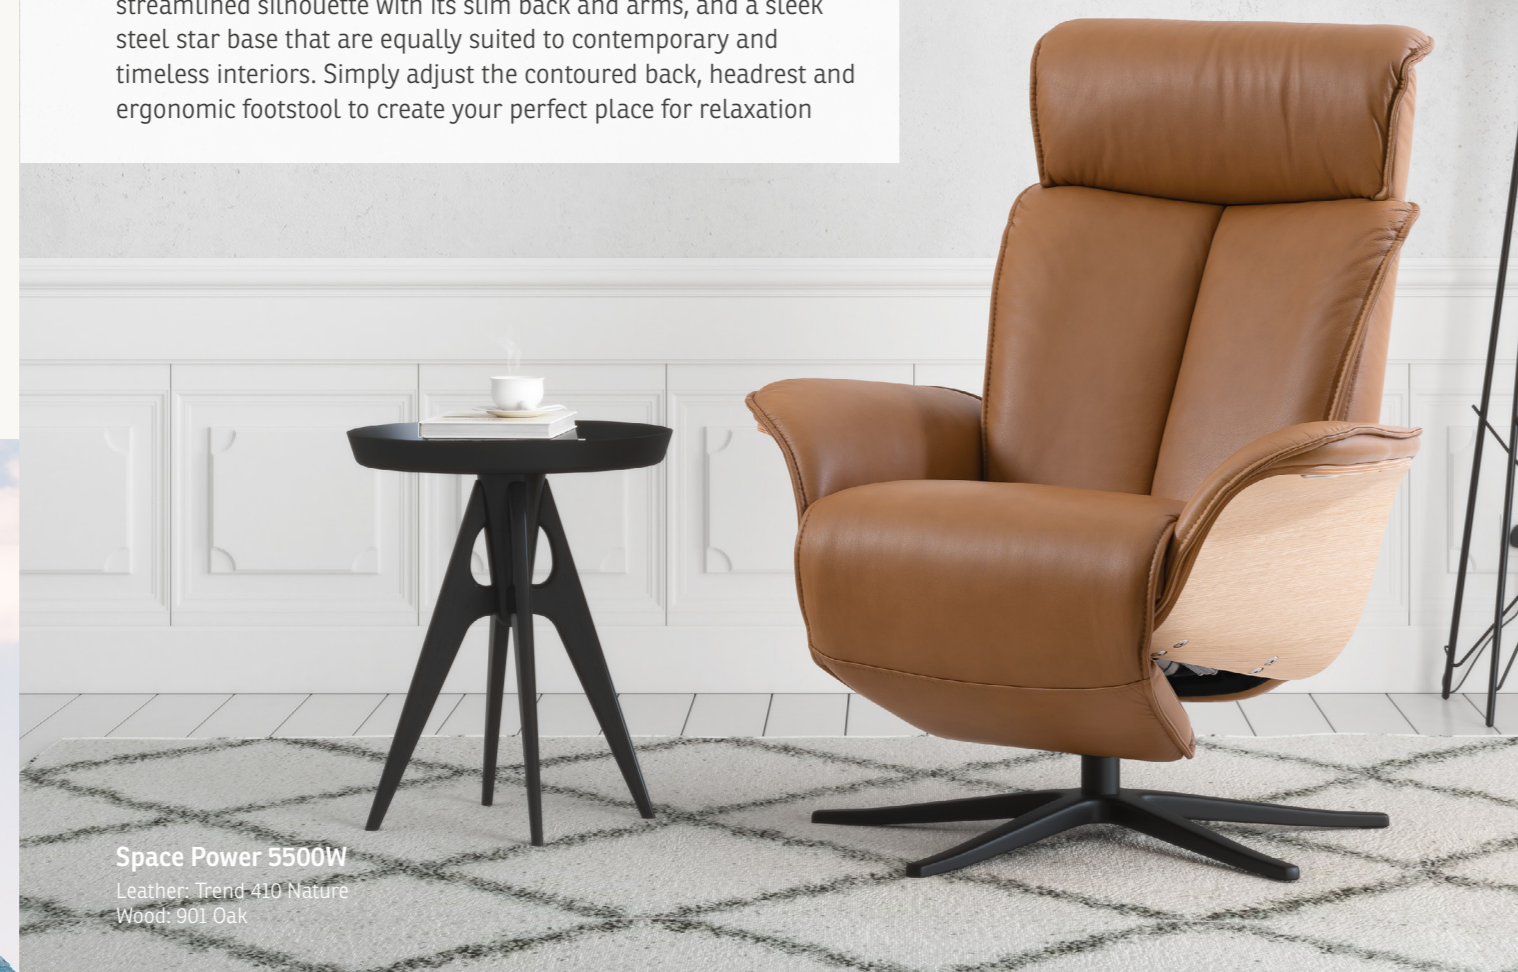

As a Norwegian-based company part of the Ekornes ASA Group, we are proud of our Norwegian heritage and roots. IMG (Internasjonal Møbel Gruppe) is located in Sykklevn, Norway – a place filled with scenes of natural beauty.

Scandinavian design is at the heart of our productive vision, and we aim to produce furniture in which beauty is not only a clear feature, but a true benefit to you. Because we believe that truly outstanding furniture combines both stunning aesthetics and quality comfort in perfect harmony.

## Space

An icon of modern Scandinavian design, the Space recliner has a streamlined silhouette with its slim back and arms, and a sleek steel star base that are equally suited to contemporary and timeless interiors. Simply adjust the contoured back, headrest and ergonomic footstool to create your perfect place for relaxation

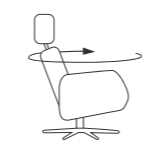

**Space Power 5500W**  
Leather: Trend 310 Nature  
Wood: 901 Oak

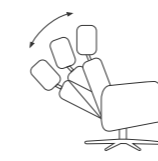

- 1 Soft polyurethane foam and fibrefill layer ensures optimum softness
- 2 Adjustable head and neck support gives you the ultimate comfort in all seating positions
- 3 A choice of top grain leathers or high quality fabrics provide a luxurious look
- 4 Injection moulded Cold-Cured foam ensures ergonomically correct seating posture and enhanced support that lasts
- 5 Steel springs located throughout the back and seat provide optimum support whilst cradling the body
- 6 Features an infinitely variable, pneumatically aided backrest
- 7 A steel frame provides durable construction and optimum strength
- 8 Centre post swivel ensures effortless movement and unsurpassed stability
