

Liberty Motion sofas

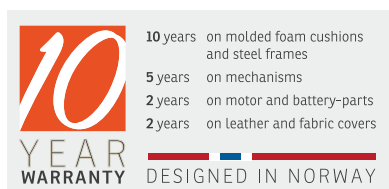

Liberty

Our motion sofas combine well-functioning mechanisms with our distinctive Relaxer style to provide a sofa unit which will complement your living area while serving your comfort needs. With a variety of seating configurations available, there is something to suit everyone.

Take comfort into your own hands with the Liberty motion sofa. With an enhanced padded backrest cushion provided by deep, horizontal line stitching, and padded armrests, experience the freedom of quality comfort and support. Plain seam stitching on the sides also creates neat lines to provide added detail.

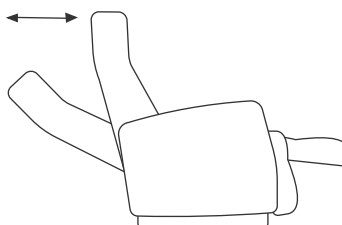

The IMG promise

Our products are subjected to the highest Norwegian quality standards. Our comprehensive warranty policy is our promise to you that your furniture has been built to last.

Wallsaver Feature

Our motion sofas can be placed up to 15 cm / 6 inches from the wall for reclining to optimize the space of your living area.

Functions - Features

1. Higher grade foam

Created through cold-cure foam technology, this ensures ergonomically correct seating posture and support which lasts.

2. Comfort precision headrest

Adjustable head and neck support gives you the ultimate comfort in all seating positions, through simply tilting the headrest.

3. Height-Adjustable Headrest

Enabling the headrest to be adjusted for taller individuals.

4. Effortless recline

The back recline and integrated footrest can easily be released and operated manually or upgraded to power.

5. Steel interior springs

Steel springs located throughout the back and seat provide optimum support whilst cradling the body.

6. Solid frame construction

A steel and hardwood frame provides durability and strength.

7. Wall-Saving Function

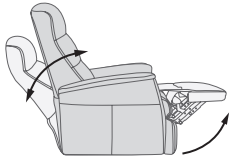

Our motion sofas can be placed up to 15cm from the wall for reclining to optimize the space of your living area.
